Supporting the Next Generation of Kent's Musicians

www.kamymtrust.org

Our Passion and Purpose

We are passionate about helping young people progress on their musical journey.

We provide grants for promising young musicians of limited financial means. The money can be spent on tuition, ensemble activities, courses, instruments and sheet music.

We also provide performance opportunities, support youth ensemble activities and offer specialised awards such as The Passaggio Vocal Award.

Our support encompasses all music genres.

The need to support young musicians is greater than ever. We need help to enable our grants to be more generous and to reach more people.
