Kent and Medway Young Musicians Trust

Supporting the next generation of musicians

www.kamymtrust.org

Are you a music lover who would like to enable the next generation of musicians to succeed? Or perhaps you were supported as a young musician and would like to give something back to your local music community?

The Kent and Medway Young Musicians Trust exists for this purpose and is passionate about helping the next generation of musicians progress on their musical journey. We award grants to promising young musicians of limited means. The money may be spent on tuition, ensemble activities, courses, instruments or music.

As trustees we are keen that our capital does not diminish over time but continues to grow, enabling the grants to be more generous and to reach more people.

Beginning life last century as the Kent Youth Music Association, the trust was refreshed and renamed in 2003 when Medway became a unitary authority. This allows our trust to remain county-wide.

How can you help?

Become a friend of the trust

Help us make a difference to young musicians for just £15 a year or as a Life Friend for £150. The newsletter will keep you up to date with the Trust's activities.

Donate the proceeds of a concert

Make the Trust your designated charity: your music making can help future musicians.

Leave a bequest in your will

Your gift could enable a young musician to pursue their musical dream.

Donate in memory of a loved one

Donating in memory of a loved one is a special and personal way to remember and celebrate the life of a loved one.
