

Ambassador Role

KaMYMT Ambassadors play an important part in the success of our work. They have an active involvement in the musical life of Kent and/or Medway and can use their influence, enthusiasm and networks to raise awareness, increase support and promote our mission:

Empowering young musicians in Kent and Medway through financial support, performance opportunities, and passionate advocacy, so every promising talent can find their voice and shape our cultural future.

What We Ask of Our Ambassadors

The support offered by each Ambassador will vary according to commitments, circumstances, background and area of expertise. Whilst not time consuming we ask that Ambassadors:

- Keep up to date with the Trust's progress through our website, newsletters, Facebook page and other communications.
- Attend the Trust's public events where practical.
- Promote the Trust's work to potential supporters/Friends. Also, to teachers and musical organisations who may know young musicians who could benefit from our assistance.
- Help identify potential donors and other fundraising opportunities.
- Forward promotional material and event invitations to suitable contacts.
- Consider offering performance, internship or other development opportunities, or reduced-price tickets, to able awardees.
